MEMO TO: Campus Community

FROM: Joseph Kane *JK*

DATE: June 21, 1995

RE: Director of Information Technology

The Presidential Task Force on Information Technology was appointed last fall to analyze and make recommendations to the President. The Task Force Report was presented to Br. Burke in March.

The Report was subsequently accepted by Br. Burke. The Report recommended combining the Administrative and Academic Computing areas under a Director of Information Technology.

The search for a Director of Information Technology has now been initiated. The announcement of the position appears on a separate page in this issue of Campus News.

The Search Committee is Chaired by Dr. Sam Wiley. Other members include: Jim Cooper, Peggy McManus, Susan Rohanna, Tom Straub, and Steve Thorpe.

CAMPUS POSITIONS AVAILABLE

LA SALLE UNIVERSITY IS AN EQUAL OPPORTUNITY/AFFIRMATIVE ACTION EMPLOYER

DIRECTOR OF INFORMATION TECHNOLOGY

La Salle University invites applications and nominations for the new position of Director of Information Technology. This position reports to the Provost and must provide leadership, strategic planning, coordination and management in the use of information technology in support of the University's educational mission, goals and objectives.

La Salle University is a private Catholic affiliated University located in Philadelphia, PA founded by the Christian Brothers in 1863. La Salle offers a broad and diverse array of undergraduate and graduate programs servicing 4,200 undergraduate and 1,400 graduate students.

The Director will be responsible for the overall management and administration of the Information Technology department. The Information Technology department will be a campus-wide service unit that provides and /or coordinates computing services for all areas of the University; provides pro-active leadership in establishing directions in computing technologies for academic and administrative units; collaborates with other service department providers, such as the Connelly Library, Educational Media, Telecommunications and Audio-Visual, and integrates information systems, resources, and services in support of the teaching, learning and general administrative operations of the university.

Qualified applicants should possess at least 7 years of management experience in computing services, demonstrated leadership skills, a sensitivity to the challenges of providing computing services in an academic environment, effective communication and interpersonal skills, and diverse technical expertise including LANS, Databases, and general business operations. An advanced degree is preferred.

Interested applicants should submit a detailed resume including salary requirements and three references, before July 17, 1995:

Richard J. Alexander
The McMahon Company
1084 E. Lancaster Avenue
Rosemont, PA 19010-1550
